

**A HAPPY LAWN REQUIRES 4 COMPONENTS TO BE IT'S BEST.**

**BLUE DUCK LAWN CARE**

**WE'RE IN THIS TOGETHER**

**HOME OWNER**

**NATURE**

Heat/Drought/etc.

**WATERING**

1-1.5in of water on the yard weekly. 1 deep water/week

**FERTILIZATION**

Blue Duck's Responsibility: Our turf specialist are trained to use the correct applications at the correct time.

**MOWING**

Explanation: 3.5-4.5 inch mowing height weekly

**THIS LEADS TO THE NEED OF AERATION AND OVERSEEDING (YEARLY). GRASS NATURALLY DIES, JUST LIKE ALL PLANTS IN AN ECOSYSTEM. WE MUST REPLACE THE GRASS WITH NEW GENERATIONS OF SEEDLINGS.**
